Education

University of Economics

Ho Chi Minh City – UEH

Business Information System

GPA: 7.99/10

Award

Consolation Prize

XTech 2021 – Finding technology talent in the digital economy.

Work experience

Back-end Developer

UEH GoVirlunteer | Jun 2021 – Jan 2022

Through this project, I learnt valuable experiences to become a Business Analyst as:

- Understand the fundamental IT knowledge and how programming languages work. Therefore, I can communicate with Stakeholders to meet their requirements.
- Learn how to work according to the Agile Scrum Framework.
- Experience the process of developing and managing a real project.

Business Intelligence Intern

Asia Commercial Joint Stock Bank – ACB

Jun 2022 – Aug 2022

Club activity

Member of Technology Department

Economic Technology Club – University of Economics HCM City | Apr 2021 – Jun 2022

Skills

Programming languages: C#, SQL and basic level of HTML, CSS, Flutter.
